Ultra-luxe, Kokomo is one of the most exclusive private island resorts in the world. Designed with privacy, comfort and relaxation in mind, five expansive Residences offer an unforgettable escape. Perfectly positioned on the hilltops, and surrounded by lush tropical gardens, each Residence ranges from three to six bedrooms, and offers captivating views from sunrise to sunset.

Sitting on the edge of the unpopulated tropical Kadavu archipelago, encircled by the pristine Great Astrolabe Reef, Kokomo operates domestic shared air transfers from both Nadi Domestic Airport and Nausori (Suva) Domestic Airport. The journey is approximately 45 to 60 minutes from Nadi via Kokomo's owned and operated Twin Otter dual command Seaplane or AS350 Helicopter, or 25 minutes from Suva.

WITH A VISION TO RAISE KOKOMO INTO THE UPPER ECHELONS OF WORLD-CLASS DINING, OUR TEAM TURNS THE CHALLENGE OF WORKING ‘ON AN ISLAND, OFF AN ISLAND’ INTO AN OPPORTUNITY TO ELEVATE THE BAR ACROSS ALL THREE RESTAURANTS: BEACH SHACK, WALKER D’PLANK AND KOKOCABANA.

WALKER D’PLANK

Tucked within a sheltered cover next to the arrival’s jetty, a world away from mainland crowds, Walker d’Plank redefines Asian-inspired street food.
